1. Relevant VTC HDs are those HDs that the curricula have been mapped and there is a high percentage of similarity in curriculum contents and module learning outcome between these HDs and Year 1 and Year 2 of the corresponding THEi degree programmes.

2. Some programmes might require applicants to have a minimum CGPA in their HD programme and/or to attend an interview before a conditional offer is issued.

3. Awardees have to fulfill other conditions as set by the Selection Committee, which include undertaking to stay at the Institute for the entire academic year. THEi reserves the rights to adjust the selection criteria based on the admission figures in each academic year.

4. A student's eligibility for NMTSS and the annual subsidy amount for each academic year are subject to the Education Bureau's approval. The subsidy is tenable for the normal duration of the programmes concerned at THEi. For details, please visit <http://www.cspe.edu.hk/nmtss>
