

THEi Student Exchange

Cultural Exchange & Service-learning Trip to Inner Mongolia 2024

The trip aims to give students experiential opportunities to learn in real world contexts and develop skills of community engagement. Through joining Service-Learning Trips, students will have the opportunity to broaden their horizons and global perspective on different social issues. The trip will offer students the opportunity to participate in delivery of community service for different target groups, such as the training centre for children with special needs and to visit local NGOs to learn about the differences in development of social service in Inner Mongolia and Hong Kong.
